

REMARKS

Applicants and the Undersigned have attempted to address the remarks in the Notice of Non-Compliant Amendment. Claim 48 was not present due to a numbering error. This has been corrected. However, the Undersigned has been unable to locate an error with regards to claim 29.

Reconsideration is respectfully requested.

Applicant(s) respectfully submit that the Application and pending claims are patentable in view of the foregoing amendments and/or remarks. A Notice of Allowance is respectfully requested. As always, the Examiner is encouraged to contact the Undersigned by telephone if direct conversation would be helpful.

Respectfully Submitted,
